Additions to the agenda:

Clerk asked that all timecards and receipts be handed in by the Sunday prior to the meeting. They need to include specific dates, hours, and mileage. As a reminder, we cannot issue checks for any work done more than 30 days prior to receipt of time card. (WI Statutes 16:528)

Discussed citizen concerns in regards to flushing hydrants, and onlookers backing up the traffic during the fire on Blueberry Road. Hank assured us that the type of hydrant the town has did not need prior flushing and was in fine working order. Ned and Ron placed road closure signs as advised by the county.

Public Comment:

Al Greunke addressed the board regarding a situation with the culvert outside his business. The culvert on Mayflower Road is not functioning properly and creating a prospective safety hazard. Ned, Ron, and Leon will arrange a time to go assess it.
