Rocky Run needs repair. We will get an estimate.

The recycling center board will be meeting Saturday, August 26th.

Public Input and/or Comment:

Clerk Mail- The Clerk received an open records request from Wood County GIS Specialist. We have contacted the assessor and Wood County Clerk to discuss situation. Kurt Moeller has sent an email to the party with his concern. The Wood County Clerk has suggested all towns that received the request discuss the matter with their town attorney.

Al Greunke of Maple Grove Cheese addressed the board about the culvert in front of his business. Ned and Ron have assessed the culvert and will get Becker to fix it.

We question the amount that Fabick has billed us this month. We believe they have double billed us again for a portion of work done previously. We will hold the current check until we can verify the accuracy.

The next meeting will be held on September 10, 2023 at 6:30 pm.
